The Parking Committee ruled previously that members of a carpool must work in the same building in order to be issued a carpool permit.

8.

9.

In addition, the Audit Staff has pointed out that it is illegal to use Government transportation as a means of getting to and from work.

10.

11.

The members of the carpool that work in the Headquarters Building have been issued a permit for a two member carpool. Mr. [redacted] who works in the Ames Building, is requesting an exception to the rulings discussed above in order to obtain a closer parking space.

12.

13.

14.

I would appreciate an indication of your approval or disapproval.
